

## Using the ClickLayout file templates

Design your presentation materials in no time at all with our ClickLayout file templates

- Open the appropriate file with the layout program of your choice
- Place your pictures and text in the designated areas
- Send the data (with images and logos) to us

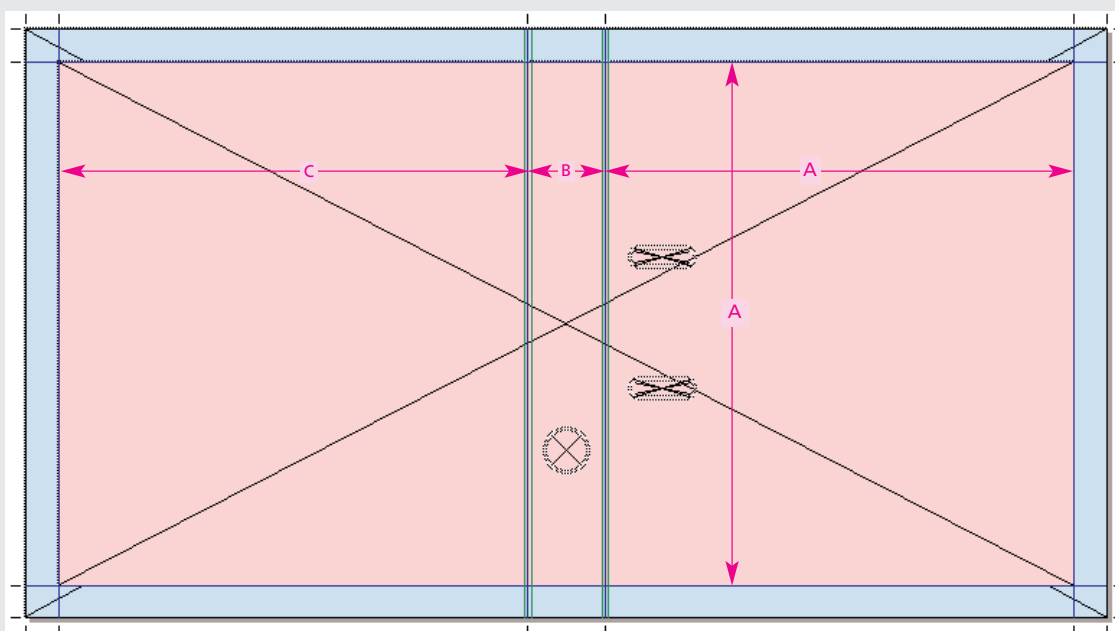

This CD contains the ClickLayout files for these products:

- Ring binder series 1 (for A4 / 20 mm capacity)
- Ring binder series 2 (for A4 / 30 mm capacity)
- Ring binder series 3 (for A4 / 40 mm capacity)
- Ring binder series 4 (for A4 / 50 mm capacity)
- Ring binder series 5 (for A5 / 30 mm capacity)
  
- Lever arch file series 1 (for A4 / 3 cm spine)
- Lever arch file series 2 (for A4 / 7 cm spine)

ClickLayout is available for the following software:

- QuarkXPress (.qxd)
- Adobe PageMaker (.p65)
- Adobe InDesign (.indd)
- Adobe Illustrator (.ai)
- CorelDraw (.cdr)

ClickLayout example:

Trimmed size of the ring binder or lever arch file cover  
A = front cover / B = spine / C = rear cover

Bleed spec is 20 mm  
beyond trim
